FROM THE DRIVERS SEAT

Well, 2008 is now in the record books and our Christmas Party was “*The*” event of the month. Then it started to snow and snow and snow and seemed to never stop. Being that yours truly makes his living from this “white gold” falling from the sky, things have been simply off the charts, and record breaking in every aspect. I’m a walking zombie and a blithering idiot as one needs to be careful what you wish for. At least the “First Lady” is happy.

Our New Year is hopefully going to be as much fun as our last few with lots of events and gatherings. Sue and Mary are already working on our “off-season” events with a January gathering to be determined, a Valentine’s night to be determined, and our March event is the travel trip via luxury bus to the Nethercutt Museum on Thursday, March 19th.

Russ Greek is having a “Fun Run Registration” meeting for members of the registration committee at his home on Wednesday, January 7th at 6 p.m. January’s board meeting is the 3rd Monday, January 19th also at the Greek’s home at 6 p.m., and is mandatory for all officers and directors as budgets and job descriptions will be discussed.
