FROM THE DRIVERS SEAT - Has anyone seen this guy?

Yours truly needs to apologize for the late letter, but our editors have been on vacation too so Novembers Classic Lines is better late than never!

Our biggest event this month obviously is our Annual Charity Giveaway. This annual Constitutional is where most of

us get a real "warm and fuzzy" feeling about all we do when we donate the proceeds from Fun Run to the numerous valley charities and organizations. Don't miss this yearly event Monday the 9th @ 6pm at the Discovery Center. Appetizers and deserts will be served and a very short meeting will follow.

October was sure fun as the First Lady and I did a week in Tahoe. Car events included the Cruise for a Cure (Breast Cancer) Show in Barstow and the Sun City Cruisers Car show in Apple Valley. This is Bruce Traylor's other club down there at Del Webb and they really did a good job for their inaugural event. Trick or Treat in the Village and Boo in the Zoo rounded out the months festivities.

By now, the Laughlin Express Run has happened and seven cars went down to the Route 66 Museum show and Birthday in Victorville. Boy did we have fun, more on that later.

Sue Greek is doing an amazing job setting up our Christmas Party. Make sure you get your reservations in as she needs to commit to everything by November 20. As always, it's sure to be a great time.

KEEP THAT TANK FULL

Special Notice

As the Historians, we're doing a special project this winter. We've gathered up all of the old photo albums from storage and we've added a new feature on our web site. It's called "Rear View Mirror." We'll be taking some pictures and articles from each year, scanning them into a "pdf" file, named by the year, that you can click on, read, and even save if you want to! The first year, 1982 is on the web site now! Hope you all enjoy checking "Rear View" out, you may even see yourselves!!

HAVE FUN WITH IT - John and Carole

The editors missed **Halloween** in The Village this year, and celebrated with family in Slidell, Louisiana. Since there are no pictures from The Village, we'll share a few that we took on vacation!

Route 66 Car Show

Seven members went to the Route 66 car show in Old Town Victorville on November 7, 2009. Bob Ritchey drove his 60 Chevy over from Running Springs to join Cal Roe, Cliff Fowler, Harry DuPre, Bob Funk for an 8:00 gathering. Meanwhile, Bill Downs had left earlier to haul his Ford T to the show. However, one of the floats on Cliff's supercharger decided to stick, and we were delayed about 20 minutes while things were corrected.

The Route 66 Museum put on a good, well organized show and about 200 cars filled the nearby lots and streets. Our club recently made a donation to the museum, and one of their awards was sponsored by BBLACC.

Then three members won awards!

Bill Downs' "Special Interest" Model T with all the old Rout 66 decorations, Harry DuPre's "Museum Pick" and Cliff Fowler's "Top Ten"

It was a pleasant ride back home, we put on jackets in Lucern Valley for the drive up the hill.
