June 2010

From Dan's Garage

Hi all,

Well, May was quite a month, the weather kept you busy guessing what the next day would bring, but as always our club met all of our goals with an A plus. No matter what Mother Nature threw at us.

Russ and his pit crew with The Pinewood Derby cars went to all of the 5th grade classes at all the Elementary schools and completed the preliminary races to set the finals for The Citibank Show. We had a great turn out of school kids and scouts and can't forget the big kids (cheaters). Downs was the King of the hill with the cheaters.

The car show itself was also a big success with approx. 65 cars on display for the public to enjoy and make their pick for the ones they enjoyed the most. We also had the best hot dog stand in town; in fact they sold out in about two hours. (Thanks Ken) Can't forget the dinner after the day's activities at The Sonora Cantina where we not only enjoyed a nice dinner but got to hear the results of Herb's fishing tournament. The big winner of the Biggest Fish was Karl Grossman, so we will have to listen to his stories till the next one. (Congrats Karl) OH! I almost forgot we have a celebrity with us that had his car on the front page of the Supplement for the car show, and I have been told that he will be autographing the Supplements at the next general meeting, so everyone can get in line. This will be Monday, June 14, at the Discovery Center. We will also be announcing all plans for June and it will include a Car Rally around the Lake.

I would like to thank everyone who helped this last month with our entire club activities, if it wasn't for you people, this club would not be the club it is. THE BEST ON THE MOUNTAIN.

Check that Dip Stick,
Dan

General Meetings

June 14th is the General Meeting. Come to the Discovery Center @ 6 p.m. to enjoy the potluck. Contact Pearl Richey for food assignments. The meeting starts at 7 p.m. Our guest speaker will be fellow club member, Noel Blanc. This will be a FUN meeting!

Member of the Month (May 2010)

Vice President, Russ Greek, introduced a new feature the board wanted to add to our General Meetings. The first recipients of "Member of the Month" are Ken and Sherron Carlson. This couple has done so many things for our car club. They have supplied all of the food for the Citibank show for many years. Ken will also supply the golf carts for the Fun Run this year! Ken was presented with a certificate, and a plant for Sherron, who was unable to attend.

Guest Speaker (5-10-2010)

President Dan Percifull, introduced our guest speaker, and club member Bryan Bianchi. He gave us a class and demonstration of "Hands Only CPR"

This was a very interesting class. Bryan brought several "dummies" and before long he had us all up and practicing CPR. Thanks for a great class Bryan!

2nd Annual Fishing Tournament (5-26-2010)

We've completed our 2nd Annual Fishing Tournament. As you can see, it was a beautiful day on the lake. Oh, I forgot – it was FREEZING COLD!!

After meeting at the Observatory, Dan Percifull and Karl Grossman head out to catch some fish! At 11:00 a.m. the four boats met at "Noel's Cove" to tell FISH TALES. As it turns out, Karl Grossman did catch the biggest fish, John Renner caught the smallest fish. For the second year in a row, Carole Renner got the prize for the biggest fish tale – the one that got away!!

We all had lunch at the Alpine, John Renner, Cliff Fowler, Russ Greek, Larry Thompson, Karl Grossman, Dan Percifull, John Cantrell, Herb Potter, Cal Roe and Carole Renner (One Of The Guys - taking the picture)

Memorial Day Ceremony (5-31-2010)

The Big Bear community honors fallen heroes at Veterans Park. Bob Funk walked in the procession through The Village to the park. He is seen on the next page, saluting the American flags, flying at half-staff, during the "Pledge of Allegiance." After the ceremony concluded, we found Bob, he told us he was wearing his original Air Force uniform, and was surprised it still fit!
