From Dan's Garage

Well, has spring finally sprung? I sure hope so; I am tired of snow and cold weather! (Although, my Ginger calls me when I am in San Diego and provides me with the weather report, "It is snowing again, and you are not here to enjoy it.") I certainly enjoy it on Friday when I return home and have to shovel the new snow on our deck.

As you all know, we had to cancel the General Meeting last month due to that stuff called snow AGAIN, but we are scheduled for the 10th of May at 6:00 p.m. at the The Discovery Center. The guest speaker will be Brian and he will be providing us with a CPR demonstration along with general first aid information.

On April 10th, about 10 club members met at the Mormon Church and went down the hill to the car show at the Hesperia Plaza Park and had a fun time. The weather (wind) was a little on the cool side, but the "Over the Hill Gang" of Apple Valley had a nice show with about 120 cars.

While we are discussing car shows, on April 25th the "Spring Cruisin at Nottingham's was a great success with about 15+ of our members attending. We far out numbered the other club as far as club participation. The best part of the show was the warm spring weather; it could not have been any nicer. A special "Thank You" to club member Charlie Brewster for hosting this annual event. If you have not purchased your tee shirt, Charlie still has some available.

Our Club Sponsored - Pinewood Derby Event starts this month with the races at the schools. There will be a work party to repair and provide maintenance on the track at Herbs on the 12th if you are interested in helping, please give Herb a call. The final races or Shoot-Out will be at our Citibank Show on the 30th of May. I hope to see all of you there. You don't need to have a car to come down and enjoy all the fun with the kids.

See you at the General Meeting on May 10th.

Don't forget "Check that Dipstick"

Dan
