From Cliff, First Past President

From The Drivers Seat

Well, I graciously got a call from our Presidente' who was up to his nostrils in work overload asking for a ghost writer for this months column. Somehow I guess he figured I hadn't written enough of them. OK Dan, I know you're here in spirit just not in person!

Dan, Roger and I presented the student body of Baldwin Lane Elementary the perpetual trophy again at an assembly June 3rd. Baldwin Lane is the only school so far to have had the trophy for 3 years. Good job kids!

Our annual fishing derby has been postponed until later in the year due to the lack of sign ups as EVERYONE was on vacation. Herb Potter does an outstanding job on this very novel event, so more to follow on it's reschedule.

Also, rescheduled will be Russ Greeks Gimmick Rally or Scavenger Hunt or whatever it will be. We ran out of time but successfully rescheduled the cruise night at Village Pizza on the 26th. What a blast. Ken and Sherron always make sure a good time is had by all at their fine eating establishment. Thanks again Ken and Sherron for all you do.

Without much notice, your BBLACC was asked to be a part of history and be a huge part of the new bridge dedication on June 24th. I so wanted to be able to invite everyone, but was given VERY specific criteria. Only 12 cars excluding the master of ceremonies. Hot Rods, muscle cars and customs only, (no antiques, no classics) I made up the group of 5 open cars to carry dignitaries and 7 closed cars, which was a very eclectic mix of what our club has. The Bridge Dedication was amazing and how cool was it for US to be the very FIRST cars to cross the new bridge AND the LAST cars to cross over the DAM BRIDGE!!
Yep We were blessed!

Keep That Tank Full,

Cliff

DOVES

At a benefit, *Cruisin' To-Stop Bruisin'* several club members showed up with their cars.

Suzy del Villar, Ken Carlson, Bob Funk, John and Carole Renner. Adrienne Hungerford is a volunteer at DOVES and she was there all day. Stan Blood and Stan O'Dell stopped by too!

Bob Harper came to our general meeting in June to thank us for our support, and to let us know they raised over \$1600 that day!

June 24, 2011, was a special day in Big Bear. The dedication for the opening of the new bridge was happening and the BBLACC was there! We were the first cars to drive across the new bridge, twelve beautiful cars, plus the historians were there to film it all, and drive the only NASH in Big Bear across the new bridge! Here's some pictures to enjoy!
