March 2011

From Dan's Garage

Hello Everyone,

February has been an exciting month lots of snow and cold weather, but the positive side of it is that the lake is full and that will make for a great spring fishing tournament for the club.

At our last board meeting we made some great progress on our City Bank Show or more specifically the Pinewood Derby, and the event is coming together with thanks to Cal and the hard work he is putting in on it.

Fun Run show was also discussed and all committee work is on schedule with no major problems. Shed Conklin, Bill Downs and John Renner presented the city with our usual plan and we will be waiting their approval, which we see no problem. Cliff is continuing on with selling vendor spaces and we will be having a few new ones this year that I think will add a lot to the show.

The engine is here and most of the goodies are also here and now all we need to do is get it over to our greatest and famous engine builders shop "Digger" and he can perform his magic on it.

As for this month, we are planning a great bus trip down to the Petersen Automotive Museum. I am sure the trip will be a fun adventure with a lunch being served up by the now famous Lynn Fowler, in a park setting on the way down to the museum. We will also have plenty of refreshments with movies while we are traveling. Check the web site and get signed up quick. If you have any questions call Cliff or Lynn.

Car shows are starting to be scheduled again with the one in Del-Mar, April 1-3 being one of the first, it is a great show with lots of cars, nice just to go down and get a few ideas. One that is a little closer is "Cruising in the Park" held by the "Over the Hill Gang" of Apple Valley. It is in Hesperia at the Civic Plaza Park on April 9Th, 10:00 to 2:00. I would like to make this a club event and we could all caravan down together, those interested in going contact me and we will set a meeting place and time.

Well, until the bus trip, all remember to "CHECK THAT DIP STICK"

Dan
