“Shiffin Gears
For Thirty Years”

November 2012

From Dan's Garage

Hello everyone,

I hope you all are enjoying the last few days of very nice weather, you know what is just around the corner! October was a month for all of us to slow down and wind down for the winter.

We did go down to the desert, to the Sun City Cruisers car show and had a great time. Four of us from our club and seven of the members from the Valley Cruisers went down with us, we all met at the church and caravanned down together. The weather for the day was great. The morning was a little cool for Cliff and Harry with their open cars, but they survived! We all had a very good time and enjoyed the show, lots of food and cars and sun, best of all (NO WIND!)

We also had another car show and open house at the CHP office in Running Springs on the same day. With such short notice, we still were able to be represented by the loyal members, Owen, Bob, and Bill Downs. I understand it was a very small turnout but with such short notice and a very popular show in the desert, we made both!

We will be doing the Boo at the Zoo again this year and could use some help if anyone would like to, just give Cliff a call and he will be happy to hear from you. Also, again this year, we will be giving candy out for Halloween at Cedar Rose Lane in the village to all the trick or treaters! There will be chili and hot apple cider along with hot coco for all attending, lots of fun come on down and enjoy!

Don't forget about the annual Christmas party on the 8th of December, and let Lynn know if you are going to be able to attend, it will be a lot of fun as always and our last get together before we go dark for the winter. Also, at the Christmas party you will be able to meet all the new board members for next year!

Don't forget to check that dip stick,

Dan
