Keep the shiny side up

July 2014

From Rick's Garage

May and June have zipped by and it's already July. May was a busy month with the Pine Wood Derby races at the schools and the Finals and Show and Shine at Snow Play. The race finals were held at the Memorial weekend car show and the winner of the perpetual trophy this year was Big Bear Elementary. The Show and Shine had a smaller than expected turn out with only about 45 to 50 cars participating. Everyone had a great time and food sales were better than last year. Thank you to all the members that helped with both events. We couldn't do it without your dedication. A special thanks to Ken and Sharon Carlson for their generous food donation.

June was rather quiet. We are working behind the scenes getting ready for Fun Run. Trophy sponsorships are being sold and registrations are being sorted in preparation for assigning parking to all entrants. Parking will be assigned and conformations sent out the first week of July.

July will see a change from years past. The annual beach party will be pushed back to September, so a **regular meeting will be held July 14th** at the Discovery Center. Pot luck at 6:00 PM with meeting starting at 7:00 PM. The regularly scheduled **board meeting will be July 7th at 6:00 PM at Denny's** on Big Bear Blvd. Please come to the meetings and take an active role in your club.

August is quickly approaching, which means our two biggest club events are coming. The Tour de Big Bear bicycle race is the first Saturday in August (August 2). This is the largest event we volunteer for to support the City and the Race. We need people throughout the day for two hour shifts to man our aid station for the racers. Please sign up to help out. The second event is Fun Run. The show will be held the second Saturday in August (August 9). We need help Friday afternoon, all day Saturday and Sunday morning for the awards ceremony. This is the club's premier event and we need all members to support it. We count on everyone for this weekend, so come on out and participate.

In closing let me say that being in a club is more than just paying one's dues. It should include active participation in club events and meetings. We need your participation to continue doing the things our club does. We have put on one of the best car shows in Southern California for the past 25 years, and I hope we can do it 25 more.

Have a wonderful 4th of July, and enjoy our beautiful summer weather. See you at the meeting.

Rick

A Celebration of Life for Pat "Fat Pat" Perry is scheduled for Saturday July 12th, 11:00am – 3:00pm at Pat's shop which is located behind Smokey's Jerky. It is a pot luck and all are welcome.

The Big Bear Valley lost Pat Saturday evening June 28th due to congestive heart failure. Although Pat never belonged to any of our local car clubs, He did paint many of the Clubs Owners cars and was known as a really good painter.

BIG BEAR LAKE ANTIQUE CAR CLUB COMING EVENTS
