AUGUST 2017

Wake up And DRIVE!!!!

From Sam's Shop

Hello Club Members from Sam's Shop,

August is upon us and the biggest event for our club is almost here. Before we all tackle the Fun Run we have the Tour De Big Bear on August 5th. We will have our aid station for riders and the bike wash set up at the zoo. Classic cars are welcome and can be parked west of the aid station to give some eye candy to the bike riders. This year the aid station will again be supported by the RODRIDERS Car Club as well our club. The Fun Run is the following weekend, and **volunteer positions have been assigned, but if you haven't signed up for a job please come by registration any day you are available and the Fun Run staff can find a place for you to help.** Two weekends after the Fun Fun Run we have another couple of events. The Big Bear Air Fair is on the 26th and the BBLACC Fun Run Appreciation BBQ will be held on Sunday the 27th at the Eagle Point Park, I hope to see everyone there. My wife says its a busy month so I'm not gonna get anything done on my construction projects, let's all have fun!

Have a blessed day.

Get up and drive...

Sam

AREA Shows and Events:

Of course since the editor is a member of both car clubs here in Big Bear he encourages everyone, if you haven't yet, to sign up for the Cool Run in the Mountains Car Show September 2nd. All profits go to local charity. To that note, there also was a non-denominational BBQ that several area club members hosted July 2nd that raised \$1,200 for BARC / BMDR animal shelters.

Below is a list of upcoming events. If you wish to have a specific event listed in future newsletters just forward to the Classic Lines Editor at rctholen@gmail.com or (714) 501-9537. These are my own favorites and certainly not all inclusive.

AUG Newsletter Monthly Saying / Tidbit:

Racing is the process of turning money into noise.

So to go along with that... since you stuck out the reading this far... you get a Bonus August tidbit Robert Hight of John Force Racing, in his AAA sponsored Funny Car, on July 28th at Sonoma Raceway ran the 1,000 ft track in 3.807 seconds (3rd fastest Funny Car Run in History) But get this..... he went 339.87MPH for a new NHRA Record. Folks, we can just plain call that 340MPH!!!!!! Anyone remember when they hit 200MPH and said "We have hit our limit.... Can't go any faster than that" And that's when the track was a full quarter mile.... 1,320ft. Just unreal !
