JULY 2017

Wake up And DRIVE!!!!

From Sam's Shop

Happy July everyone. Halfway through the year and its officially summer. We have had a few shows and general meetings but the most important event is quickly marching toward us. Fun Run is a little over a month away. The Fun Run has been sold out for over two months, all of the vendor space has been spoken for, and the trophies have been ordered. The menu has been set by our local caterer, Murray's; and the art work is finalized. Keep your schedules clear for that second week of August because its gonna be a whirlwind of fun. If you have yet to sign up for worker positions there should be a sign up sheet at our next general meeting on July, 10. Also if you would like parking space for your classic car at the show please be sure to contact Owen Miller.

One of the perks of being a member of a car club is the opportunity to attend events that might only be available to a large group. That happened in June thanks to the efforts of our Vice President, Ron Tholen. He put together a trip to the Day Family museum. It is more than just an auto museum, it's a literal TIME MACHINE! Featuring cars from the early 1900's right on up to the muscle cars of today! The 33,000 square foot Day Family Classic Cars Museum transports visitors throughout the lives and treasured locations of its founders Tom and Diane Day. I was unable to attend, but based on the pictures it looked like a ton of fun. Thanks Ron.

There will not be a board meeting on the July 3rd, due to the July 4th holiday, instead we will hold a board meeting before the general meeting on July 10th at Nottinghams.

Have a blessed day.
Get up and drive...

Sam
