MARCH 2017

Wake up And DRIVE!!!!

From Sam's Shop

The snow has finally retreated from the shop doors and my steel chariots are getting a breath of fresh air, although without a rumble from under the hood. The out the window forecast says beautiful today, with a strong chance of more cold precipitation here or there for the next month. Hopefully the valley will get enough precipitation to allow for some great Lake Cruise pictures, which we and our car show guests missed out on last year.

The year is quickly progressing with your board and committees working hard to put on events for 2017. The applications for Fun Run are now available and have been sent out to those who have requested. Artwork for the t-shirts and pins are under construction, much like both of my cars. I would like to congratulate Ken and Sherron Carlson for having their car on the t-shirt artwork & pin. The board selected Michael and Judy Biggy's truck to accompany the Carlson's as well as Fun Run 2016 Presidents pick.

Spring is just around the corner, which will hopefully include the Spring Fling at Nottinghams, typically on the last Sunday in April. Keep the fires stoked, pathways clear because it will snow again soon.

There will be a board meeting at Denny's March 6th @ 6pm.

MEMBERSHIP:

Thanks to all of the members who have already paid their 2017 club dues, that's a great start to the year. As always, if you have friends or acquaintances who are interested in joining our club, please invite them to attend our first regular membership meeting on April 10th.

SOCIAL:

We had a wonderful Valentines dinner at Nottinghams. It was a great group of 16 of us. Everyone had a fantastic time. Seems like the snow may be easing up now ... we are still looking at an off season trip... contenders are the Nethercutt Museum, Petersen Automotive Museum or Day Family Classic Cars Museum

SUNSHINE:

Welcome and very special thanks to Pat Miller who will be taking the reins as Sunshine chairperson. Please forward any member news to her at omillerwow@aol.com or by phone at (909) 585-9200.

THE PHANTOM OF THE LAKE

The sun will come out, and we need to prepare for Car Show season! We ask car enthusiasts to bring their cars to our shows, so we need to go to their shows. Our club members should think about going to car shows to not only show off our cars, but to also pass out flyers for our upcoming shows. By supporting others, they will support us.

EVENT PHOTOS: *King of the Hammers ... Johnson Valley, CA ... right in our back yard, tens of thousands of spectators come out the second week of February to watch the King of the Hammers in a BLM area near Yucca Valley. For nine days long the Means Dry Lake bed turns into what the spectators call "Hammertown." There are more than 400 teams and 30,000 spectators for this event, an off road race combination of rock crawling and desert race. Several of us made the trip the second week of February. Second photo is that of Harry & Janet Dupre's son.... with Harry providing some close scrutiny to their pit stop.*

AREA Shows and Events:

Below is a list of events for the coming year. Light gray shaded events are tentative dates. If you wish to have a specific event listed in future newsletters just forward to the Classic Lines Editor at rctholen@gmail.com or (714) 501-9537. These are my own favorites and certainly not all inclusive. In upcoming newsletters I will trim down the list and make it only the next month or two.
