MAY 2017

Wake up And DRIVE!!!!

From Sam's Shop

Happy May to my fellow members. I would like to thank Ken and Sharon for their hospitality on the 26th for the pine wood car packaging party. It is always a blast to have the opportunity to take over Village Pizza. Thank you to all of the members who participated in the packaging process, the kids really appreciate race event y'all help create. Now the heavy lifting begins. We will need as much member participation as possible to gather the race track, tables, pit station, ect.. for the three race events at the schools. Pickup times from storage and the race dates and times should be announced really soon.

The first trophy event of the year is almost here and I hope everyone is ready(I'm not). The Spring Fling will be at Nottingham's on Sunday May 7th, the day before our May general meeting. Suggested arrival time is a hotly debated subject, sometime between 1 and 3 would be appropriate, but Charley serves mimosas and breakfast so its entirely up to you. There is no entry fee, the Notti girls choose the winner, and can possibly be swayed in your favor. We usually retire to the tavern before sunset after the perpetual trophy is awarded.

May 28th we will be hosting the Show & Shine with the pine wood derby finals at the East snow play & go kart track by Division and big bear blvd. This is also a no entry fee show, all cars, trucks and motorcycles are welcome. We have a many new members and I look forward to getting to see and chat with y'all there. This show will also need as much help as we can get to load up popups, tables, bbq, racetrack, engine raffles and registration.

The big show is creeping towards us and that's all I'll say about that.

Sam

MEMBERSHIP:

Please look over your contact information in your club membership roster and if there are any changes to be made please let me know. As always, if you have friends or acquaintances who are interested in joining our club, please invite them to attend our regular membership meetings.

SOCIAL:

Don't forget our general meeting on Monday May 8 upstairs at Nottinghams. Social and dinner starts at 5:30 with the meeting starting at 7:00. Cliff and I will still be on vacation so we're sorry to miss you all.

Also, we have discussed a club outing to the Day Classic Car Museum in Corona. The second floor renovation of this "by invitation only" museum is just about done and will reopen at the end of May. At our next meeting we will discuss a possible date or two and then solidify our trip there when they reopen.

THE PHANTOM OF THE LAKE

This month, the Phantom is so excited. May is Pinewood Derby month, and the pine cars are bagged and distributed. We need all club members to come and help with the elementary school races. Both the students and the teachers get very excited and competitive during these races, and it's fun to be a part of this event! The top racers then face off with the other schools during the big Pinewood Derby race and car show at Snow Play on May 28. Learn more about this event at our upcoming club meeting May 8, and please sign up to help out.

AREA Shows and Events:

On the next page is a list of events for the coming year. Light gray shaded events are tentative dates. If you wish to have a specific event listed in future newsletters just forward to the Classic Lines Editor at rctholen@gmail.com or (714) 501-9537. These are my own favorites and certainly not all inclusive. Sooner or later I will trim down the list and make it only the next month or two.

PHOTOS:

Photo #1 Some have asked what is a "Cackle fest" ? That sound, oh that beautiful sound!... the music of a cackle fest! At the recent Goodguys Del Mar Nationals Car Show, where there were over 3,000 participants, one exhibit was just that, a cackle fest. In this display, four nostalgia top fuel dragsters, that burn 95% + nitromethane start their engines, in succession, throughout the day. The sound is beyond description and the smell and effects of the nitro are the same... beyond description. So park that thought that a cackle fest is a group of elderly ladies sitting around and, uh, well.... Cackling..... It is not that!

Photo #2 A club member that recently purchased a 2017 Corvette Z06 attended the Ron Fellows Performance Driving School. The school of which 75% of the cost is subsidized by Chevrolet for new Corvette Owners provides two days of performance training and driving. 90% of the school is on track time and a good bit of that drive time is at speed. The Z06 school course is one of three (4th is under construction) on a 2.1 mile road racing course where the driver hits speeds of 120MPH on the straights. It's an awesome experience, and the Z06 is an even more awesome car.
