JUNE 2018

**Wake up ..... And DRIVE!!!!**

## **From Sam's Shop .....**

Happy June to everyone. I would like to extend my thanks to all of the members that took time away from their schedules to help at the school races, pinewood shootout and the show and shine. It was a busy weekend in the valley and we managed to pack Snow Play's parking lot with visitors, show cars and children. Northshore Elementary won our giant trophy for the pinewood races. We kicked off the engine raffle with almost 60 tickets sold and got the engine safely to Carquest.

Keep the Shiny Side Up

**Sam**

## **MEMBERSHIP:**

At our May club meeting, we were happy to welcome Joscelyn Pierce and Russell Lewis to the club as our newest members. If you know anyone who may be interested in BBLACC, invite them to our next club meeting. If you would like to have an application or two on hand, I always have some handy at our meetings. You can also print copies from our website. Hope to see you at our meeting!

## **THE PHANTOM OF THE LAKE .....**

The Phantom was pleased to see so many club members volunteering at the "Show 'N Shine" Car Show and Pinewood Derby last weekend. A big shootout to Lynn Fowler for her car winning the People's Choice Award and Ken Carlson for winning the Adult Pinewood Derby Event! North Shore Elementary School, which has not won a Pinewood Derby race since 2012, was this year's winner, making their principal, Manny, a VERY happy man!

Now is the time to start thinking about Fun Run #29, so please come to the club meeting June 11 and learn about the many volunteer opportunities available. This is a premier event and puts our car club on the map for Big Bear's summer events!

## WHO KNEW ?

### *PASSING THE BUCK / THE BUCK STOPS HERE*

Most men in the early west carried a jack knife made by the Buck knife company. When playing poker it was common to place one of these Buck knives in front of the dealer so that everyone knew who he was. When it was time for a new dealer the deck of cards and the Knife were given to the new dealer. If this person didn't want to deal he would "pass the buck" to the next player. If that player accepted then "the buck stopped there".

### *RIFF RAFF*

The Mississippi River was the main way of traveling from north to south. Riverboats carried passengers and freight but they were expensive so most people used rafts. Everything had the right of way over rafts which were considered cheap. The steering oar on the rafts was called a "riff" and this transposed into riff-raff, meaning low class.

## JUNE Newsletter Monthly Saying / Tidbit:

- I've always thought that a good driver is one who can still win a race with a bad car
- Oversteer is hitting the wall with the back of your car.... Understeer is hitting the wall with the front.....
- Guys, you can date whomever you want, but marry a girl who can back up a trailer.
